You can imagine the excitement of our Year 8 students as they prepared for their first ever inter school debating competition. Two teams competed in Round 1 of the Senior Schools Debating Program and the night was a resounding success. I was particularly impressed that we had students named as best speakers in both debates.

Inter school debating is just one example of the extensive range of extension and enrichment programs that we are running at APC under the banner of the Inspire program.

The Inspire program was launched in term one this year under the leadership of Brett Gilbert. Our aim is to get every student to commit to this program as it builds their connection to the school and gives them the opportunity to delve deeply into an area of interest. The Inspire program runs across the school day-including before, during and after school and enhances the mainstream programs in the school.

Many parents are already familiar with our highly successful Basketball Academy, the Instrumental Music Program and the Wednesday night Homework Club. This year we have expanded the Inspire program to cater for a broader range of student choice.

Continued overleaf
We have formed a student led editorial team for the APC student newsletter. The first edition is well underway with the team based in the Library - the knowledge centre of the school. The on-line format will be creative and topical and directly engage the students by showcasing their ideas and talents.

The APC run club starts every Wednesday morning at 7.30am and continues on Saturday at 9.00am. This program is tailored for long distance runners who wish to compete at the All-Schools cross country competition.

Students who need a further physical challenge can join the Triathalon Club which operates on a Monday afternoon. The Triathalon Club is going strong with students already competing in weekend events.

The newly formed APC Big Band and School Choir will conduct rehearsals on Friday lunchtimes. This is an important step in preparing our talented musicians for public performances later in the year. We also look forward to showcasing their work in the local community.

We have even established a lunchtime knitting club which picks up on a community trend back to an appreciation of traditional craft activities.

These few examples of the Inspire program highlight how important an addition this program is to your child’s education at APC.

I would also like to highlight the recently conducted School Council Elections. There was tremendous interest in the election process and I would like to congratulate the successful candidates listed below.

The successful elected members for school council in the Parent category are:
- 1. Dominic Grounds
- 2. Tim Walsh
- 3. Jules Brooks
- 4. John Patitsas
- 5. Kaye Linsdell
- 6. David Kelly

The successful elected members for school council in the DEECD category are:
- 1. John Pobjoy
- 2. Anne Stout
- 3. Bridget McGuinness

I am looking forward to sharing their ideas about how we can build on the success of APC. We still have two community spaces to fill so we hope to add two additional names in the community category at the next School Council meeting to be held in May. Please note that this meeting will commence with our first Annual General Meeting to be held in the school Library on Tuesday 8th of May at 7.00pm.

You are most welcome to attend.
A VISIT FROM KATE ALLEN

On March 19th Year 7 students had the privilege of being visited by Olympic Gold Medal Winner Kate Allen.

Kate Allen, an Australian born Austrian triathlete came to APC to talk to students about her remarkable achievements as an athlete and the courage required for such a venture.

Although Kate grew up in Geelong she represented Austria in the 2004 Olympics in Athens, the nation which she now calls her home. A devout athlete in her youth, it wasn’t until Kate spent some time in Europe that she became passionate about triathlons. In her address to students Kate spoke about the transition from being an amateur to a professional athlete and the sacrifices involved. She also discussed at length a number of the personal challenges she faced including a horrific fall in the lead up to her 2008 Olympic campaign in Beijing.

Kate is a remarkable individual and her story of courage, determination and passion inspired all those who had the pleasure of listening to her.

In addition to hearing Kate speak about her life and achievements, students from Year 7 also had the opportunity of speaking directly to Kate and asking her questions about her achievements. Of particular interest was how Kate came to win an Olympic gold medal after placing 44th in the first leg of the triathlon race. Kate’s message, that ‘a race is never over until you cross the finish line’ is one which resonated with teachers and students alike and was a powerful reminder of what we can achieve when we are determined to do so.

Amongst Kate’s other messages to students was the importance of working towards a goal and setting miniature goals as a means of achieving Olympic glory. As a sports personality who has spent much time in the public eye, Kate also offered some powerful messages about self worth, the importance of friends and how we can cope with people who may try to put us down.

Kate’s address was truly inspirational and could not have been more timely for a group of young people who are in the process of dreaming big and thinking about how these can be realised.

APC would like to extend an enormous thank-you to Kate for taking the time to come out to the college and Robyn May for recommending Kate as a speaker for our school.
SWIMMING CARNIVAL

SWIMMING CARNIVAL
THE SUSTAINABILITY FESTIVAL
AT FEDERATION SQUARE

BY GEORGIA KETELS

My name is Georgia Ketels, and I have a passion for the environment. Last year I went to the Sustainability festival with a small group of year sevens. We saw a movie and I even got to meet the famous David Suzuki! Still, I think it was even better this year. We arrived at school and took a tram into the city. We gathered with other schools at BMW Edge, and then went to our first workshop. There we discussed how we could get our message out to the world and we made plans for events at school (which will hopefully be coming up soon). We wandered around shops and stalls until we found our way to The Greenhouse where we would be holding our next workshop. We had a talk about community radio, and later recorded our own individual messages to be played on 3CR the next day. It was pretty exciting! We had a sustainable lunch, compostable and recyclable, so I bought a coconut from one of the shops. We had some more time to wander, so we met some people walking around. Connies (old-fashioned tram conductors) gave us a penny if we could guess the Australian animals on their cards. ‘Earth man’ gave us a lecture on global warming. Eventually, it was time for our last workshop, the sound walk around Melbourne. We walked in utter silence, observing and listening to our surroundings. It was a nice experience. Our leader’s name was Dale Gorfinkel, an outdoor musician. He played us some ‘experimental’ instruments after our sound walk. After that, it was time to go home, so we got back on a tram to school. The sustainability festival was great for all of us.
INTERNATIONAL WOMEN’S DAY @ APC

On Thursday March 8th students and teachers at APC came together to celebrate International Women’s Day. In conjunction with many nations and organisations around the world APC celebrated women’s progression and drew attention to the inequalities that still exist in our world today along the lines of gender.

Posters and displays adorned the school while girls wore green, purple and white ribbons in their hair to commemorate the day. At 9 o’clock the entire school took pause and reflected on the contribution women have made to our world while listening to an address led by Miss Riosa and Year 8 students Aislinge Samuel and Richa Dudhani. This address drew attention to the vast inequalities that still exist in many nations around the globe. In their speeches Richa and Aislinge spoke about this year’s theme of economic empowerment.

Here, Richa Dudhani offers her reflection on the day and its importance:

Did you know that women in Australia still earn 17% less than men? More shocking still is the fact that globally, two thirds of the world’s poor are women. International Women’s Day aims to draw attention to these inequalities.

The first International Women’s Day events were held in March 1911. Meetings, events and protests were held across Europe on this day with some demonstrations attracting more than 30,000 people. Women and men came together to talk about the need for women to have basic rights afforded to them. The day sparked great public debate, and advocates drew attention to the absolute necessity of extending the right to vote to women to make parliament more democratic.

Since these early days many nations around the world have made changes to laws which discriminated against women.

Since its birth International Women’s Day has grown to become a global day of recognition and celebration across developed and developing countries alike. It is celebrated on 8th of March every year. For decades, IWD has grown from strength to strength annually. Now the vital role women play in families, communities and in the progressive world is being recognised: starting from the corners of kitchens to the Head of State. On this day we remember the unfortunate women still around the world who are being treated unjustly. Global statistics however remind us that there is still a long way to go. IWD is about thinking about why women perform 66% of the world’s work and produce 50% of food, but earn only 10% of the world’s income. However at the same time it is also about celebrating the success of women like Queen Elizabeth, Prime Minister Julia Gillard, Marie Curie and Elizabeth Blackburn!

Albert Park College whole heartedly celebrated IWD. Girls in school were provided with purple, green and white ribbons. The students were also provided with delicious cookies to commemorate the special day. The day was also marked by speeches by Ms Riosa, Aislinge Samuel and Richa Dudhani (myself) about Women’s Economic Empowerment. On behalf of the school community I would like to thank all of those involved in the celebrations.

BY RICHA DUDHANI
YEAR 8
APC DEBATING TEAMS’ FIRST ENCOUNTER

On Wednesday March 14th Year 8 students from APC competed in Round 1 of the Senior Schools Debating Program. While entrance to the program is usually reserved for Year 9 students, our students proved on this evening that they were fit for the challenge and capable of meeting the high expectations set of them.

Impressively, not only were both teams successful, defeating Suzanne Cory High School and Mt Saint Joseph’s Girls College, APC students were named as best speakers in both debates.

On the back of such a tremendous effort, Molly Houghton, one of APC’s debaters composed the following account of the first round of competition:

The newly formed Albert Park College debating teams set off for our first debate of the year at Williamstown High School. Seven APC students cheerily filled the foyer with a tone of nervousness and apprehension. First debates are always the most nerve-wracking as you don’t know what to expect.

We broke into two separate teams and headed off in different directions to each persuade our audiences that ‘That Australia Day should be banned.’

Both teams were quite intimidated by the fact that they were competing against a Select Entry and a private school in only the first round. Our debaters sweated vigorously as the adjudicator called up the first speaker of the affirmative team to present. One by one, each member from our teams is called up to present a well practiced speech, and a less rehearsed effort at rebuttal.

The end of the each debate slowly approaches. The adjudicator adds up the final scores and announces the winner of the night’s debate. Each and every member of our teams clench their fists and hold their breath as the adjudicator offers congratulatory and constructive remarks.

Finally, it is announced that the winners for both debates are Albert Park College’s teams 1 and 2. Our debaters gave out little squeals of joy and a round of high-fives to team mates. Then, remembering our manners, we go and thank the other teams and skip gleefully out of the High School’s front doors with much pride in our success.

Congratulations to Naomi, Josh, Georgia, Richa, Anthea, Molly and Luke, for their fantastic efforts so far and thanks to Miss Riosa our Debating Leader.

Hopefully more success is forthcoming for us all.

MOLLY HOUGHTON
STUDENT AMBASSADOR, YEAR 8
As part of the Year 7 Curriculum Program a camp is to be offered to all students at the College at the end of the year.

The camp program will run for four days in December and will be focused around outdoor challenge and adventure. Students will sleep in tents, bushwalk carrying a pack, cook on trangias (camping stoves) and take part in outdoor team initiatives and activities. All students will learn outdoor skills as part of the College Leadership curriculum, and the camp is designed to enhance these skills in an exciting, outdoor setting.

The camp is open to all Year 7 students and will be run in conjunction with the Bindaree Group, an outdoor education organisation. Students will spend the duration of the camp in a small group (12 students) alongside a College staff member and a Bindaree group leader.

An expression of interest form will be sent to parents at the beginning of term two and more details about the camp can be obtained from the College.

LOCATION: Cape Otway
DATE: 10th-13th December, 2012
PROPOSED COST: $520 (please note that the cost is approximate and may change slightly once program numbers are finalised)
AND ONE POINT GOES TO....

I was lucky enough to be selected as part of a group of 15 students from APC to be the Australian judges and jury for the International Prix Jeunesse Youth Film Contest - think Eurovision Song Contest but film. Albert Park College was the sole school in Australia to be selected for this opportunity.

We judged the entries in the 13-15 year old student category. Over two days we watched a total of 12 videos and critiqued their originality, relevance, ability to engage the audience and overall quality. The entries were submitted from a range of countries from Germany to Israel. Each country had the choice to enter either a short film or an episode from a series.

After we watched the videos, we would have a group discussion and then we individually scored them. When we had finished watching the videos and the judging was complete we then filmed a short clip listing our top 5 rated videos with our scores being added to the other countries votes. Our video clip has been sent to Germany to be aired later this year when the winner will be announced.

Our top scored film was Two and a Half Heroes from Germany. I think I can speak for everyone when I say we had an extremely fun time and it was a great experience. We also enjoyed the plentiful supply of free food from the Australian Children’s Television Foundation!

An amazing experience for us all.

BY XAVIER DA COSTA
STUDENT FORUM REPRESENTATIVE, YEAR 8

DONATIONS TO THE ART DEPARTMENT

APC Art Department is requesting donations of any size old photo frames (any condition) or any other materials that may be used.
DANCE ACADEMY

On February 24th 100 students from APC were filmed as part of a live studio audience for ABC3’s Dance Academy.

After completing their morning’s classes Year 7 students donned some casual clothes and headed over to Gasworks Theatre where they danced, clapped and cheered in earnest.

As part of the studio audience students were not only filmed as members of an excited crowd, but many students were individually interviewed and made cameo appearances on the program’s debut.

In addition to gaining some insight into film production the highlight for many of our year sevens was meeting the hosts of the show Kayne Tremills and Amberley Lobo. Popular ABC3 personalities Kayne and Amberely not only hosted the day’s program but afterwards met APC students in the foyer of Gasworks Theatre where they spoke about their careers as TV hosts, took photos with students and answered students’ questions. A number of students were quite star struck by the experience.

Dance Academy aired on March 17th on ABC3. Students from APC were filmed as part of two episodes of the program, a series which trials young dancers in Australia. The episode APC students were involved in filming was the 2012 series return in which popular ABC3 personalities Alfie Gledhill, James Elmer and Olivia Plyhand had their own attempt at tap and Irish jigging.

The episode can be viewed at the [ABC3 website](#).
ARE YOU INTERESTED IN TUTORING YOUNG PEOPLE?

Then we would love to hear from you!

There is an opportunity for you to participate in an innovative homework club for Year 7-8 students at Albert Park College!

With 40+ young people attending the homework club each week we require volunteer tutors to help students with French, Maths, Science & Humanities, homework and assignments.

No tutoring experience necessary.

The Homework Club is held at the Albert Park College Library- 83 Danks Street, Albert Park. Wednesday afternoons from 3:15-5pm during the school term.

If you are interested please contact the
Albert Park College Volunteer Homework Club Coordinator:
Stephen - text/call: 0412267437  Email: stephi@satlink.com.au
The new APC Run Club is currently springing into step and we are looking for students who are keen to join the club.

Runners will be coached by Mr Eddie Gillespie (Sports Co-Ordinator) and Mr Srini Mandava, a qualified Level 3 Track Coach from South Melbourne Districts Athletics Club.

Training sessions will be held every Wednesday morning at 7:30am, and Saturday mornings from 9am. Depending on interest, an extra morning session may be added. All training sessions will commence and finish at Albert Park College.

The APC Run Club is designed for students who are interested in middle to long-distance running. It will give them the opportunity to set goals and commit themselves to reaching them. Under the guidance of Mr Srini Mandava, runners will train towards competitions such as the Adidas All-Schools Cross Country and School Sport Victoria competitions.

Parents and students can contact Mr Eddie Gillespie to register their interest.
Email - edwardgillespie@albertparkcollege.vic.edu.au

WITH TRACK COACH SRINI MANDAVA AND MR. GILLESPIE

Train towards events such as the Adidas All-Schools X-Country

Wednesday Mornings at 7.30am
Saturday Mornings at 9.00am
THE WORLD’S GREATEST SHAVE EVENT

On Friday 16th March at the end of lunch students rushed to the amphitheatre to watch Phoebe, Olivia, Josh, Barney, .... and Mr.Coffield-Feith take part in the World’s Greatest Shave Event. Students willingly donated to the event and cheered us on. Most of the shavees felled a bit nervous but at the same time we knew that we were helping a great cause.

At this stage we have raised $594 on the website and that’s not including the donation box at college reception - it is very heavy! All money raised will go to the Leukaemia Foundation to help raise awareness and fund Leukaemia research.

I would like to thank all students involved and all those who have donated to this worthwhile cause.

TERM 1 WRAP UP – ALBERT PARK COLLEGE BASKETBALL ACADEMY

The end of first term at the Albert Park College Basketball Academy culminates in what has been a tremendous beginning to the 2012 program. With attendances far exceeding expectations, the Academy staff and students have been busy sorting teams, organising time tables, managing early mornings, finalising programs and getting on with the business of playing basketball.

Academy coaches have been impressed with the level of commitment, dedication and enthusiasm of the students and look forward to continuing this throughout term 2.

As an extension to the on court program, students will soon have the ability to participate in a new initiative – The Principal’s Cup. Enrolments for The Principal’s Cup have already been numerous and all Academy students are encouraged to use The Cup as a means to further enhance their on-court teachings. Some students may even like to consider refereeing, coaching or scoring as a way to participate.

The Principal’s Cup teams can consist of non academy students from Albert Park College and all year 7’s & 8’s are welcome to join in the fun. It is anticipated that The Principal’s Cup will become a fixture of college life for all students and with teachers invited to ‘adopt’ a team. We look forward to some healthy rivalry and competition.

Academy teams will be heading towards the Victorian College Championships in 2012, the beginning of what we hope will be the emergence of Albert Park College in the secondary school sporting world. Academy students are working hard to develop their skill set, along with practising outstanding sportsmanship, leadership and team cohesion. They look forward to representing Albert Park College with pride on the sporting stage.

Term 2 will present some exciting challenges for all Basketball Academy students and coaches, ones that they will embrace with their already evident commitment and dedication.
The Albert Park College Basketball Academy is proud to announce a new after school basketball competition, open to all students in year 7 & 8.

Year 7 & 8 boys and girls are invited to register with the Academy coaches as an individual player and every interested student will then be placed into a team. Friendship groups will be considered however each team must have a minimum of four year 7 players in the boys’ teams and a minimum of three year 7 players in the girls’ teams. Teams will consist of a combination of year 7 & 8 students and academy coaches will ensure that teams are selected evenly.

Games will be held at 4:00p.m., 4:40p.m. & 5:20p.m. in the school gymnasium on Mondays and Wednesdays.

### Fees:
- $5 per student per game paid on each game day
- There are NO team registration fees

### Uniforms:
- Academy members will be asked to wear their blue & white academy uniforms and all non academy members will be asked to purchase a singlet & short set for $40 per player.

### Teams Announced:
- Thursday 29th March 2012

For more information contact: nick@gaze.com.au or janet@gaze.com.au

**WHAT TO DO NOW.....**
- Talk to your friends and family and decide if you would like to join the Principal’s Cup league
- Complete the registration form and nominate a friend you would like to be partnered with*
- Take your nomination form to Nick Abdicic in the gym Tuesday – Friday
- Attend the Team Announcement day in the gym at lunch time on Thursday 29th March

*Friendship groups will be considered but not guaranteed

ALBERT PARK COLLEGE
GOLF DAY

ALBERT PARK GOLF COURSE

Situated next to the beautiful Albert Park Lake, home of the Australian Grand Prix, and just 2km from Melbourne’s CBD, Albert Park is a Championship Golf Course not to be missed.

Albert Park College formally invites you to join us for a spectacular day of golf and a night of outstanding cuisine and sports discussions.

Your participation in this event will help raise funds for Albert Park College to further enhance our learning environment for our fantastic students.

The Albert Park Golf Day will be remembered long after you finish playing and the agenda for the day will be as follows:

- Registration, warm up and light lunch at the golf course from 11.00am.
- Team Ambrose Event commences at 12 noon with a shot gun start.
- On course refreshments during the tournament.
- Dinner at Lago in Albert Park from 7pm including superb 3 course meal and beverages.
- Guest Speaker - Basketball Legend Andrew Gaze
- Memorabilia Auction throughout the night and presentation of awards.

Date: 19th April 2012, 11am registration. 12pm shot gun start.

Where: Albert Park Golf Course, Queens Road, Albert Park followed by the Lago Lounge Bar at The Sebel Albert Park, 65 Queens Road.

ENTRY

$280 per person or $1,000 per team of four

Your day includes: 18 holes of golf, light lunch, on-course refreshments, three-course Awards Dinner with beverages.

Friends and family are welcome to attend dinner for $160 a head.

HOLE SPONSORS

$1,200 per hole and includes signage and recognition at dinner

Opportunities also exist to sponsor green fees, beverage cart and dinner.

BOOK FOR ONE OR BOOK FOR A TEAM, BUT REGISTER TODAY AS PLACES ARE LIMITED!

Please note payments must be received prior to the event.
**Registration**
It is essential that you lodge your form with ABR BEFORE the camp begins. You will be notified by email or phone within a couple of days of receiving your registration form to confirm enrolment in the camp. If paying on day 1 of camp, CASH ONLY will be accepted.

**Discount**
$10 discount for second and third members from each household.
$10 discount for groups of 4 or more registrations lodged together (only one discount per entry).

**Coaches**
We use only qualified coaches with experience at championship level or higher. All our coaches are committed to working with children to improve their skills.
All coaches have WWC certificate.

**Balls and Shirts**
Each participant will receive a ball and a t-shirt at the start of the camp. The ball and the shirt are yours to keep and must be brought to each day of the camp.

**Lunch**
We do not provide lunch for the camp. Please bring your own lunch, snacks and drinks & ensure that all belongings are well labelled.

**Drink Bottle**
Participants are asked to bring a drink bottle to the camp

A parent or guardian MUST collect children from inside the main basketball hall by 3:15pm at the latest.

---

**RELEASE & WAIVER OF LIABILITY**
The undersigned hereby acknowledges that participation in this camp and related activities involves an inherent risk of physical injury. The undersigned on the behalf of the registrant, hereby assumes all such risk and does hereby release and forever discharge the camp and all employees and agents thereof from any and all liability of whatever kind or nature rising from and by foreseen and unforeseen bodily injury and personal injuries, damage to property, and that of equipment or defect in the premises.

I hereby state that I am the legal guardian of said registrant
